

Magnolia Parkway Chamber of Commerce
We really need your help!

If you would like to become more actively involved in the Chamber, please sign up for one of the committees below. We have lots of plans but need some good people to make them happen!

Committee(s) I am interested in: (Please circle)

Membership. (Ambassador Committee) This committee visits with businesses in the community to make them aware of our Chamber and to sign them up. Members need to be available to attend monthly Ambassador lunch meetings and ribbon cuttings as well as most of our scheduled events.

Continuing Education/ Luncheons. We are in need of people to speak at our Business Luncheons on matters of interest to our members. On occasion we may have a meeting at some time other than lunch. This committee would sign up the speakers as well as plan the luncheons and educational events. They would also be responsible for suggesting educational items of interest that we could share with our members in order to help them become better business men and women and ways that they could use to grow their business..

Membership Appreciation / Annual Gala Event. We are looking to do this in Feb. '10 and need help planning this event in a big way! We'll also need help with decorations, ticket sales, table sponsors, programs, etc. Planning for this event will be started soon in 2009.

Annual Fund Raiser. We will be having another golf tournament in the fall of '09 and desperately need Chamber members to help us plan and coordinate this event! Some of the needs are to contact potential golfers and sponsors, welcoming committee, golfer goodie bags, event day volunteers, and lots more!

Legislative Committee. The Chamber would like to become more actively involved in the decisions affecting our area by having influence with local political leaders. This committee would open and maintain a dialog with local politicians and help write resolutions as necessary to present our memberships views on items that have an effect on their lives and community.

Blood Drive Committee. The Chamber will be sponsoring three separate blood drives during '09. Committee people are needed to help coordinate, publicize, and manage these.
